

## VicHealth Policy Submissions 2011–2012

Responding to proposed government programs, policy and legislation that has the potential to impact on health is part of our advocacy role. During this financial year, VicHealth made numerous submissions on a range of issues, including:

- Submission to the *Draft Victorian State Disability Plan 2013–2016*
- Submission to the Environment and Planning Committee’s Inquiry into *Environmental Design and Public Health*
- Submission to the Parliamentary Inquiry into *Opportunities for Participation for Senior Victorians*
- Response to the National Health and Medical Research Council’s (NHMRC) draft *Australian Dietary Guidelines* and the *Australian Guide to Healthy Eating*
- Submission to the Australian Government’s *National Food Plan 2012*
- Submission to Food Standards Australia New Zealand’s (FSANZ) revised draft of *Nutrition, Health and Related Claims*
- Submission to the Australian Sports Commission’s *Women and Sport discussion paper*
- Submission to Sport & Recreation Victoria’s *Future Directions for the Access for All Abilities program*
- Submission to the Victorian Law Reform Commission’s *Inquiry into Sexting*
- Submission to the Department of Human Services on the *Addressing Violence against Women and their Children Action Plan Consultation Framework*
- Submission to the House of Representatives Standing Committee on Social Policy and Legal Affairs *Inquiry into Foetal Alcohol Spectrum Disorder*
